I forward herewith an appeal petition dated 30-1-36 from G. Venkattaswamy, retired Police Constable addressed to the Hon'ble the Resident represent that his Military Service was not taken into account for purpose of his pension. I forward also the entire file in connection with the above subject for perusal and favour of return.

Slip (P)
(pages 1-71)

His Military Service has been left out of account in calculating his civil pension, for the reasons given in Commissioner of Police's No.137/AG/36 dated 26-1-36. The Treasury Officer who was consulted in the matter suggested a reference to the Accountant General, Madras, (vide his U.O.No.156 dated 13-2-36). The Accountant General who was referred to in the matter has now reported that the pensioner is entitled to count his Military service from 1-7-1897 to 31-12-1902 towards his Civil pension and requests that the sanction of the Hon'ble the Resident may be obtained to the drawal of pension at the enhanced rate and also to its payment with retrospective effect (vide his letter No.P.U.4-1-2883 dated 23-11-36). The Commissioner of Police who has since been consulted has no further remarks to offer.

APPEAL

To 6
4.5.E.86
The Hon'ble British Resident in Mysore,
B a n g a l o r e

Through
The Collector
Civil and Military Station,
B a n g a l o r e .

Respected Sir,

With due respect and humble submission, I beg leave to state the following few lines to your honours benevolent and most kind consideration.

According to the Government Armys Rule which was adopted during the time of Queen Victoria's Rule I have been enlisted at the age of 18 years, in the year 1895, under the Union Flag, by solemn-promise and oath. According to the promise which I have made I had finished the field service for a period of 8 years, obediently and satisfactorily to the satisfaction of my superiors.

n the year 1903, my Jompany (18th Army Bearers Company) was disbanded and upon the consequent of which I was retrenched. I therefore joined the British Police Force in the year 1904. As desired by the Police Department my forr r service in the Military Department was asked for and for which they replied saying that my service was transferred to the Police Force. Afterwards when I (No.290) and another constable (No.98) asked for our services, the Police Officer told us that the services of the Military will not be given to us now as we were yet recruits, but told us that both the services will be given at the end of our retirement, by the order of the Police authorities and though the services was noted on the Service Register yet it was not taken into consideration. And further I beg to state and according to the service of 21 years (both in Military and Police Departments) I am entitled for extra pension; as I was 2nd class constable drawing Rs.11/-.

When I was working in the Government I was attacked by cholera and was in the hospital for 6 months as an inpatient and the disease

disease being not cured the then Residency Surgeon Col. R.T. Standage, I.M.S., on behalf of the Medical Board Committee discharged me from the service on invalid pension of Rs 2/2/0 plus an extra amount of Rs 2/- temporarily. When this extra amount was stopped I claimed the Madras Accountant General for which they replied(herewith attached a copy of reply.4efc P.A. 9. 0. G 1555 dated 29 March 35.)

In view of the fact that I have served the British Government, both in the Field and in Police Department, I most humbly request that my Military Service of 8 years may kindly counted towards civil pension to enable me to get an extra pension as the present pension of Rs 2/2/0 is not sufficient to maintain my family of 5 members in these hard days.

Finally I most humbly and respectfully request your honour to kindly take all possible steps to secure my additional pension.

For which act of kindness I shall ever pray for your honours long life and prosperty.

I beg to remain,

Respected Sir,

Your most obedient servant,

Retire Constable
